Explanation for Assertion 4 on Section 1 – Annual Governance Statement 2023/24

The External Auditor's Report and Certificate for the 2022/23 AGAR stated the following;

We note that the smaller authority did not comply with Regulation 15 of the Accounts and Audit Regulations 2015 as it failed to make proper provision during the year 2023/24 for the exercise of public rights, since the period for the exercise of public rights did not include the first 10 working days of July. As a result, the smaller authority must answer "No" to Assertion 4 of the Annual Governance Statement for 2023/24 and ensure that it makes proper provision for the exercise of public rights during 2024/25.
